ARTICLE 1. NAME

The name by which this Chapter of BROTHERS OF THE THIRD WHEEL, herein known as BTW, shall be known as : - BROTHERS OF THE THIRD WHEEL - UNITED KINGDOM (BTW-UK) herein known as the Chapter as agreed by the members present at the Annual General Meeting held in April 2011

ARTICLE II. PURPOSES

The specific purpose of the Chapter will be to carry out the purposes spelled out in the BTW Bylaws, as well as other purposes listed below.

1. To unite all members of BTW within the United Kingdom.
2. To hold regularly scheduled meetings in order to keep the membership informed and to receive input from the membership.
3. To plan Chapter events and conduct other Chapter business that the members deem necessary.

ARTICLE III. MEMBERSHIP

Membership in the UK Chapter shall be open to any-one who is a member of BTW in good standing and in good standing with the Chapter, residing in the United Kingdom. BTW UK does not discriminate in any manner. All decision making power shall be vested in the membership. No officer shall make decisions involving the UK Chapter, without Chapter approval.

Good standing:

Shall mean that all appropriate dues have been paid and there has not been a vote or decision taken by the Chapter to revoke the membership.

Putting BTW at Risk

Anyone who puts the risk of others in question WILL have their membership terminated as being in contravention of Article III(A). BTW-UK is a family association and the safety of those members is our top priority.

If the member has a few days, a week or be it months, they will forfeit any membership benefits such as admittance to the members section of the forum, receipt of the bi-monthly newsletter, use of the BTW insurance discount codes and any other benefits that members enjoy.

This includes the wearing of any official BTW badges or patches, which should be either returned or sold back to the association.

Loss of membership

Membership in the Chapter may be **revoked**:

1. By a majority vote of the members.
A motion must be made and seconded at a regular meeting with a vote being taken at a second meeting being held no less than 30 days from the meeting in which the motion was made.
2. By bringing the BTW or any of its members into disrepute

Any member whose membership is under consideration for revocation shall be notified of the pending action in writing afforded the opportunity to hear the charges against him or her and have the opportunity to appear before the membership on his or her own behalf.

3. non-payment of applicable dues after a grace period of 30 days.

Revocation of membership

As a family association, we should never be seen to publically disrespect (**put the BTW at risk**) by actions or words, either verbal or in writing (this includes internet posts), any of the following:

1. A member of the public or public services.
2. The armed forces or its member.
3. Any Motorbike or MotorCycle Club or its members.
4. Any association or its members.

This includes the BTW International Association and its members.

Bringing the BTW or its members into disrepute or danger, may lead to one of the following:

1. Removal of the right to wear BTW badges/patches.
2. Suspension of membership in the BTW pending a formal review.
3. Immediate revocation of membership in the BTW.

In line with standard practice, formal warnings may be given, but are not guaranteed.

Leaving:

A member that declares by writing through official channels, which are to include, an email to an RC, the Director or Assistant Director, PM to the said officers or by posting within the members section of the forum of their intent not to renew their membership, or to leave the BTW UK chapter, their membership will end when the date of their termination is noted by an officer and responded to either by email, pm or reply to their post.

Chapter Dues

May be assessed by the Chapter and will become a condition of membership.

All members of a Chapter must be notified in writing of the proposed changes, involving dues, not less than 30 days prior to the vote.

The amount of the dues may be adjusted by a vote of the membership at a regularly scheduled meeting by a majority vote of the members in attendance, provided proper notice has been given.

Chapter dues may involve a special assessment for those members wishing to receive the Chapter newsletter.

Status

There shall be no probationary period for new members. Every member is equal and entitled to the full benefits of members without time constraints.

Nothing within these by-laws shall be interpreted that anything is mandatory, or required of a member. That shall include the wearing, or not wearing, of the BTW patch at any time or place. Any member wishing to wear a BTW patch must first read the "BTW UK Back Patch Guidelines" to ensure the MC/MCC's in that area have accepted the BTW patch and abide by these guidelines.

Riding

The BTW Back patch/Badge **IS NOT to be worn whilst riding a motorcycle** as this would give the rider the impression of being an MC/MCC and would cause BTW-UK to suffer reprisals.

The BTW Back patch/Badge **IS NOT to be worn whilst riding between areas** as this could lead to the rider riding in an area where the MC/MCC does not allow the wearing of patches, which would cause BTW-UK to suffer reprisals.
